

About The Southwark Community Sanctuary

The Southwark Community Sanctuary is a safe, welcoming and supportive space for anybody aged over 18.

Whatever the reason for feeling distressed or in crisis

We're here to help you.

We support people in person at the Community Sanctuary, online via video chat, or on the phone.

We are available to provide support face to face.

Monday-Friday • 5pm-11pm

Saturday-Sunday and bank holidays • 1pm-11pm.

What The Southwark Community Sanctuary Provides

You can talk to our staff about how you're feeling and what is concerning you.

Help you plan to achieve personal goals

We'll listen to you, and help you to develop a plan to stay safe and well.

Coping strategies can be discussed to manage distress.

We will help you to navigate local services and opportunities that can provide crisis support.

Further Help and Support

Peer Support

You can also talk to our volunteer peer supporters. Our peer supporters all have their own experiences of mental health crisis, this allows them to share a real understanding of what crisis can feel like.

Regroup & Relax

After meeting with our staff or volunteers, you can sit in the Community Sanctuary and enjoy a break from the outside world. It's a comfortable space to relax, and refreshments are available.

FOR MENTAL WELLBEING

NHS

South London
and Maudsley
NHS Foundation Trust

Nobody plans to be in crisis.
We provide a safe space to regroup and relax.

When you feel in crisis, we can help identify support needs and assist in planning for better wellbeing.

We are run by the charity Together for Mental Wellbeing. The Sanctuary's services are free and open to anyone who lives in Southwark or is registered with a Southwark GP.

We are commissioned by South London and Maudsley NHS Foundation Trust and provide self-referral service for any persons experiencing mental distress

A Guide to Crisis

What is Crisis?

A mental health crisis can come about when an individual hits breaking point and requires urgent help and assistance.

Individuals may experience the following:

Feelings of extreme anxiety which may lead to panic attacks or flashbacks.

Suicidal thoughts and feelings, or self-harming.

Experiencing hypomania or mania.
Feeling elated, very active, and full of energy.

Experiencing psychosis, possibly hearing voices, or feeling extreme paranoia.

What can cause Crisis?

Triggers for experiencing crisis can involve dealing or coping with:

Bereavement • Addiction

Abuse • Money problems

Relationship breakdown • Workplace stress

Exam stress • Housing problems

Please note that some individuals might be managing a mental health diagnosis and others might not know or understand why they are experiencing crisis.
